Office of the President

president@scrantonprep.org

Dear Prep Family,

As I write to you today, our students are engaged in a broad range of academic, athletic, co-curricular and spiritual formation opportunities that are the hallmarks of Scranton Prep's excellence. We will soon graduate the remarkable Class of 2023, well prepared for their impressive college opportunities ahead. The Prep leadership team, faculty and staff have never been more committed to educating your daughters and sons in the Jesuit tradition: mind, body and spirit.

Scranton Prep's commitment to growth and excellence relies on our prudent use and investment of resources. Our Board of Trustees recently approved a tuition of \$16,300 for the 2023-24 academic year. This 6% increase, while higher than previous averages, is still lower than recent inflation. We carefully weighed this decision in light of current economic conditions and our increased strategic investments in Prep's mission – specifically in our students, faculty, and staff.

This tuition increase, though significant, does not cover the actual cost of educating a Scranton Prep student. As you know, the cost of educating one student at Scranton Prep is approximately \$19,000. This reduction in price for our families is made possible by the incredible philanthropic support of our loyal alumni, parents and friends.

Thank you for entrusting us with the education of your daughters and sons.

Gratefully,

Rev. A.J. Rizzo, S.J.

President
