Good evening, Lancer Families!

We have six weeks and finals left in the 23-24 school year and we are excited to welcome the spring weather along with everything that goes with it. The final quarter is always exciting as we ramp up towards graduation and seniors begin to start receiving their cap/gowns, planning graduation parties, and all students start preparing for a fun summer! As a staff we are here to make sure each student reaches this proud milestone, and it starts when they enter our building their freshman year. The one thing I hear from seniors and staff most is how fast the time goes and you don't even realize it until you graduate. I think that goes for parents as well so please make sure to enjoy it!

As we expand our student body and staff next year due to growth and rezoning, we are also upgrading and adding onto the building. If you have been to the campus recently you have seen a great deal of construction. That is because we are getting a new track installed soon, a new exterior camera system, some new roofing, and a lot of new signage and upgrades inside the building. We will continue to purposefully make McQueen a welcoming environment for all students, families, staff, and community partners. I appreciate your patience with the construction as we confirm that we have reached this goal.

McQueen Counseling Office Updates – FOR CURRENT MCQUEEN STUDENTS AND FAMILIES

For counselors to enter your child's course requests for next year, families must complete annual online registration through the Infinite Campus Parent Portal. Please take a moment and go to www.washoeschools.net/register to complete this registration process as soon as possible. If online registration is not completed by the time your child has their individual academic planning meeting with their counselor, their course requests will not be entered into the system.

Student Last Name	Counselor	Counselor Email Address
A-Da	Mrs. Benson	jbenson@washoeschools.net
Db-Hi	Mrs. Longland	katelynn.longland@washoeschools.net
Hj-Mi	Ms. Smith	kmsmith@washoeschools.net
Mj-R	Mrs. Parker	erin.parker@washoeschools.net
S-Z	Mrs. Parnell	brandy.parnell@washoeschools.net

- Please look at NND1 to access all the current athletic/activity schedules. Go Lancers!
- Link to access all levels of HS activities and athletics: [McQueen High School \(nnd1.org\)](http://McQueenHighSchool(nnd1.org))

McQueen Health Clinic Updates

McQueen High School will be having a vaccine clinic for students on Monday, May 15th from 2:30 to 5:30 pm. If parents have younger siblings, we will also have immunizations for ages 5 years and up on hand for them as well. Students 16 years and older require a second MCV4 vaccine and students entering 7th grade should receive Tdap and MCV4 #1. This is a great opportunity to take care of these vaccinations well before the 2023-24 school year starts. The clinic is sponsored by Washoe County School District, Community Health Alliance and Immunize Nevada. More information will be provided as the event gets closer. For questions, call the McQueen health office at 775-337-9896.
