

# Assumption School 36<sup>th</sup> Annual Jogathon 2023

**\*\*\*Kickoff Letter – Please Read\*\*\***

Dear Assumption School Families,

Our annual Jogathon will be held on Thursday, October 5th, rain date Friday, October 13th. This year's event will again be held at school, and every child can participate.

With a proven recipe for success, the Jogathon has become one of the two major fundraisers at Assumption School, and the only one where parents, teachers and all children participate.

The potential of the Jogathon is greater if ALL school families are involved. To make this year's Jogathon a success, **WE NEED YOUR HELP!**

We have a great Business Sponsor Program that sells itself. Simply ask your employers and business associates to participate. Enclosed is one business packet for you to use to solicit a business sponsorship. Additional forms will also be available on the school website for you to print, or you may pick them up at the school office. Please make every effort to get this material out and returned as soon as possible. These forms are time sensitive. Be sure to fill in your family name on the business forms before handing them out.

In addition to collecting Business Sponsorships students may start collecting individual pledges from family, friends, neighbors and other small businesses. Enclosed is a pledge sheet for each child.

At Assumption School, fundraising is vital not only for the day to day operations of the school, but also necessary for the school's physical and educational improvements that benefit all of our children. This year we have earmarked these funds for updating textbooks!

Call with any questions, and a huge **THANK YOU** in advance for all your help and support.

Sincerely,  
Jogathon Committee

Dear Friends,

For almost 100 Years, Assumption School has been providing students with a quality education grounded in Christian fundamentals while also providing their families and the surrounding community with a strong sense of faith and fellowship. The Assumption Parent Teacher Guild (PTG) seeks your help so the school can maintain the current curriculum while advancing the spirit of innovation. As a result of the generous support from our community over the years through fundraisers, the school has been provided with state of the art tools and resources that would otherwise not have been possible through tuition alone. This additional support has served to enhance our students' learning experience and assist with positioning them for future success.

Assumption School would like to invite you to participate in our **Thirty-Sixth Annual Jogathon**. Our goal is to raise \$20,000 to help subsidize operational expenses for the school. As a private school, Assumption does not receive state or federal funding. Therefore, the school relies fully on fundraising to help meet the needs of educating each student. We can only do this with your help.

Everyone wins through our Business Sponsor Program! In addition to the goodwill shared by supporters in any nonprofit fundraiser, your organization will capitalize on several marketing opportunities. These incentives are designed to help you spread the name and nature of your business. Please review the next page for these exciting sponsorship opportunities.

We thank you in advance for your time and consideration. Your support and generosity are truly appreciated.

Sincerely,

2023 Assumption School PTG Jogathon Committee
