Workshop Title: “Practical AAC Strategies at Home”

Dates/Time: January 17, 2023 from 6:30-7:30pm

Location: Canton High School Library

Workshop Description:

This workshop will focus on the use of Augmentative and Alternative Communication (AAC) systems at home for students with limited verbal communication abilities. Parents will learn about a variety of low-, mid-, and high-tech AAC systems used to support students' communication needs across the day. High-tech systems will include an emphasis on iPad applications (e.g. TouchChat). Practical strategies for facilitating communication opportunities during daily home routines will be explored, with a focus on Aided Language techniques.
