

Dear Parents/Guardians:

We have great news to share! Bel Air Elementary and Harford County Public Schools have partnered with FEV Tutor to provide free academic support and tutoring in all mathematics, reading, science and social studies courses. This resource is available to all students in grades 3-12. FEV Tutor provides drop-in homework help, as well as scheduled sessions, 24/7- all day, every day. The resource is now available beginning yesterday, Tuesday, January 17, 2023. Please see below for the breakdown of each of the options.
