February 24, 2023

Dear Parent/Guardian:

Each year, students in grades three through eight and high school participate in the California Assessment of Student Performance and Progress (CAASPP) Assessment System. Depending on the grade level and instructional program in which your child is enrolled, your child may have to take one or more of the following tests:

- Smarter Balanced Summative Assessments for English language arts (ELA) and mathematics are required in grades 3–8 and 11. Students with the most significant disabilities whose individualized education program (IEP) identifies the use of alternate assessments take the California Alternate Assessment (CAA) for ELA and Mathematics.
- California Science Test (CAST) is required in grades 5 and 8 and once in grade 11 or grade 12. Students with the most significant disabilities whose IEP identifies the use of alternate assessments take the CAA for Science.
- California Spanish Assessment (CSA) is required for newly enrolled Spanish-speaking English learners in grades 3-8 and high school and students in a Spanish Dual Language Program in grades 3-8.

Eagle Rock Jr./Sr. High School will start administering CAASPP assessments on March 13th. To make sure your child feels comfortable taking tests, you can:

- Explain to your child that these tests are tools to help them learn and they should not be anxious or scared.
- Explore the practice tests with your child at <https://www.caaspp.org/practice-and-training/index.html> so your child can become familiar with the platform and setup of the tests.
- Remind your child that you and the teacher want them to try their best and are there to help them prepare.

In early fall of 2023, the state will make available your child's score report, which will include the scores for all the tests your child takes this spring. When combined with other measures such as grades, classwork, and teacher observations, these test scores give families and teachers a more complete picture of the student's learning. You can securely access, download, and print your child's current and prior year's test score reports in the LAUSD Parent Portal (<https://parentportalapp.lausd.net/parentaccess/>).

Parents or guardians have the option of exempting their child(ren) from participating in the CAASPP program. If you would like to exempt your child, please submit your request in writing to your school as soon as possible so we can make alternative arrangements for your child on the date of the test. Please submit your request to the school's Testing Coordinator, Anthony Colla.

To learn more about CAASPP, go to the Starting Smarter web page at <https://ca.startingsmarter.org/>, or review the Parent Guides to Understanding at <https://www.cde.ca.gov/ta/tg/ca/parentguidetounderstand.asp>.

At Eagle Rock Jr./Sr. High School, our goal is for all students to achieve their full potential. The CAASPP test results are one way we can better understand if we are meeting that goal. Thank you for all that you do to partner with us in your child's education. If you have any questions regarding CAASPP testing at our school, please contact Anthony Colla at ajc4026@lausd.net.

Sincerely,

A handwritten signature in black ink, appearing to read "Derek Steinorth". The signature is fluid and cursive, with the first name "Derek" and last name "Steinorth" clearly distinguishable.

Derek Steinorth
